While a large proportion of these contacts have a specific Safety related job title, this file also contains a wide variety of other job titles such as Human Resources, Compliance, Operations, Site Services, Quality, Administration and Office Management.

This database is the sole property of GRS Associates Ltd. All the records contained within it have been telephone researched here in the UK, manually inputted and quality checked. No data element has ever been 'harvested' or 'scraped' from a third party source.

Looking for Public sector data as well? There are over 1,000 Health & Safety contacts also available from across Local & Central Government and the NHS from one of our specialist business partners. Details are available on request.

## THE LAW AND EMAIL MARKETING:

Current Data Protection Act (DPA) legislation (including GDPR) allows the emailing of any contacts within Ltd, Plc, LLP and Public sector organisations without prior permission (or opt-in). However, it also states that those contacts must be allowed the option to opt-out of all further emails.

GRS Associates Ltd is registered with the Data Protection Agency under registration number PZ7190215 and our data complies fully with all relevant legislation.

Full details of our Terms & Conditions and GDPR credentials can be found on our website.

**(‘Facilities’ and ‘Environmental’ contacts are also available - details on request)**
